## Program-Related Skills

**Programming Languages:** HTML, CSS, JavaScript

**Software Tools:** VS Code, MAMP, Git, GitHub, Adobe Photoshop, Adobe XD, Adobe Illustrator, Google Chrome, WAVE Extension, Web Developer Extension, Colorblindly, NVDA, Microsoft Word

**Web-Development Skills:** HTML, CSS, JavaScript, VS Code, Git, creation of mobile first designs, forms, following design mock-up details, code accessible by default, responsive web designs

## Additional Qualifications

- Strong ability to adapt in new working environments
- Ability to communicate in a clear and professional manner with team members and supervisors
- Strong analytical and detail-oriented approach to accomplishing tasks
- Able to effectively research problems using computer software and tools

## Introduction

I am a recent graduate from Algonquin College's Interactive Media Design program, where I developed a passion for web development, web design, and photography - finding my ideal blend of programming and design. I am seeking a web developer position with an inclusive organization.

## Work Experience

### Building Supervisor

**Ottawa School of Art, Ottawa, ON**

**Jun.2023 – Sep.2023**

- Proficiently supported instructors in preparation and organization of classrooms, demonstrating strong organizational skills
- Actively managed and conducted maintenance and repairs for a range of building amenities, ensuring faculty and staff operated in a safe and well-maintained environment
- Collaborated in coordination and execution of art gallery exhibition installations, indicating ability to work effectively in a team and contribute to projects
- Liaised effectively with City of Ottawa personnel regarding building related matters, showcasing proficiency in handling complex and sensitive communications

### HMR Clerk

**Loblaws, Ottawa, ON**

**Mar.2020 – Jan.2023**

- Provided prompt and professional customer service in a busy and dynamic environment
- Diligently handled credit, debit, cash, and gift card transactions, demonstrating attention to detail
- Collaborated with staff members and supervisors of various departments on proper completion of different departmental tasks, contributing to a congruent team environment
- Trained staff members on proper policies and procedures of the department and its responsibilities, ensuring department had a cohesive well informed team

### Private (Recruit)

**CAF, Saint-Jean-sur-Richelieu, QC**

**Oct.2019 – Jan.2020**

- Eagerly promulgated orders to team by interacting with senior management to ensure orders were followed effectively
- Liaised with team members by coordinating fulfillment of meticulous tasks, highlighting attention to detail and integrity and ensuring tasks and deadlines were met above expectations
- Adapted under pressure in ever changing situations, showing resilience and quick decision-making
- Learned and developed new skills in a high-pressured environment with limited resources, demonstrating perseverance

## Hobbies

- Coding in HTML, CSS, and JavaScript
